

Feel healthy with each drop of natural honey

Nazareth Secret

From where it all began

Our family lives in the Nazareth area. Share with us the natural secrets of our surroundings. We offer you the most unique honey from summer Starthistle blossoms grown in the hills of Nazareth. In the past, the honey was used as a remedy for different kinds of illnesses. Enjoy our pure honey, produced in limited quantities, its sunshine color, and aromatic scent and exceptionally delicious taste, sent to you as a benediction from the holy city of Nazareth - where it all began.

Our product is

FDA approved
